Useful information for new members:

THE BIG CHEESE

The club organises a 15 mile fell race annually in early March, **The Big Cheese**. This raises thousands of pounds for charity and to allow it to happen we need all members to act as marshals on the day and to bake a cake for our famous cake table. While this means you can't run the race, it allows you to return the favour of marshals at the events you attend!

In addition to our public **facebook** page, we have a members group for general running related chat and organising club runs (although all social and organised events will also be sent out by email if you have subscribed to this in on the membership form):

<https://www.facebook.com/groups/CheddarRunningClubMembers/>

We have a club group on **Strava**, which is a running (and cycling) tracking and social network site. Members of all abilities are on this and it is a lovely supportive community, so come and join us on there if you track your runs by GPS watch or app. Use Mapmyrun, endomondo or garminconnect already? No problem- you can link your accounts and get the best of all apps!

We'd love to get to know you better! Please fill in our "member profile" and send it along with your favourite running picture so we can add you to the website. You can read other member profiles and download the form here:
